RE: Application of Southern Digital Network, Inc. d/b/a FDN Communications and
NuVox Communications, Inc. for Approval of an Internal Corporate
Reorganization
SC PSC Docket No. 2007-360-C

Dear Mr. Terreni:

On September 28, 2007, Southern Digital Network, Inc. d/b/a FDN Communications ("SDN") and NuVox Communications, Inc. ("NuVox") filed a joint application with the Public Service Commission of South Carolina ("Commission") in which SDN and NuVox request authority to consummate an internal corporate reorganization. SDN will be merged with and into NuVox, and the customers of SDN will become customers of NuVox. For the existing SDN customers, the only change will be in the name of their service provider as the customers' existing rates, terms and conditions of service will remain the same. Existing customers of NuVox will not be affected by the proposed transaction. To assist in a seamless transition and to avoid customer confusion or inconvenience, NuVox will provide advance written notice of the reorganization to the affected customers at least thirty (30) days prior to the transfer. NuVox will file amended tariffs which include grandfathered legacy SDN services and all legacy SDN services that will continue to be marketed by NuVox. After the amended tariffs are filed and the reorganization is consummated, SDN will cancel or withdraw its tariffs.

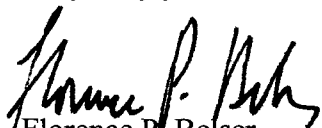

The Office of Regulatory Staff ("ORS") has reviewed the application, the verified prefiled testimony submitted in this docket, and certain other information regarding this matter requested by the ORS and provided by the companies. Based upon that review, the ORS has no objection to the companies' request for authority to consummate the internal reorganization as described in the application.

NuVox has assured the ORS that NuVox will assume and be responsible for the financial responsibilities and obligations of SDN to funds or programs administered or supervised by

the ORS, such as but not limited to the intrastate Universal Service Fund, the Interim LEC Fund, gross receipts, etc.

Please accept this letter for filing and return the copy enclosed in the envelope provided. Thank you for your assistance with this matter. If further information is needed, please do not hesitate to let me know.

Very truly yours,

Florence P. Belser
